In Memorium of Ronald Lee Lobb

REMEMBER ME WHEN I am gone away, Gone far away
into the silent land; When you can no more, hold me by the
hand, Nor, I half turn to go, yet turning stay. Remember me
when no more, day by day, You tell me of our future that
you planned: Only remember me; you understand It will be
late to counsel then or pray. Yet if you should forget me for
a while And afterwards remember, do not grieve: For if the
darkness and corruption leave A vestige of the thoughts that
once I had, Better by far you should forget and smile Than
that you should remember and be sad.
